WHAT MAKES
ME SPECIAL -
HIGH QUALITY
OF ALL GREAT
WORKS

Design Focus

Expertise in 2D graphics and 3D modeling, including exhibition stands, branding visuals, stages, and presentations for both PowerPoint (PPTX) and Keynote. Proficient in video editing and animation. Skilled in creating marketing collateral such as business cards, brochures, magazines, flyers, and social media templates, HTML, Email marketing. Experienced in designing and optimizing Amazon product listings to enhance visibility and drive sales.

Brand Building

Ensures that all visual elements—such as colors, typography, and logos—are consistent with a brand's identity, values, and messaging. It focuses on creating cohesive, recognizable designs across all platforms and touchpoints, ensuring that visuals reflect the brand's purpose and resonate with its target audience. This consistency enhances brand recognition, trust, and engagement.

Product Development

Continuously improve your offerings to meet customer needs, whether by enhancing existing products or developing new ones. Ensure that quality and value are at the forefront.

BUNCH OF MY SERVICES

I CAN CONSIDER ANY TYPE OF WORK IN DEVELOPING

3D DESIGN

I offer 3D design services that bring ideas to life with creative, functional, and visually striking solutions. From custom exhibition stands and event stages to immersive virtual environments, I craft designs that captivate and align with your brand.

GRAPHIC DESIGN

I provide professional graphic design services that transform ideas into visually compelling creations. From marketing materials and branding to event graphics and digital assets, I ensure each design aligns with your brand identity and communicates your message effectively.

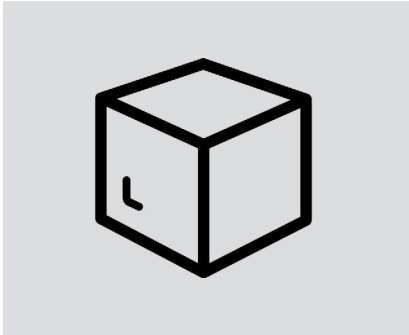

MARKETING

I specialize in marketing design that drives engagement and boosts brand visibility. From creating impactful campaigns and promotional materials to designing visuals for digital and print platforms, I ensure every piece aligns with your goals and resonates with your audience.

3D DESIGN

JANSSEN DERMATOLOGY & RHEUMATOLOGY STANDALONE

3D STAGE, LOUNGE, REGISTRATION BOOTH, FLAGS, PODIUM, PHOTOWALL

In early 2020, Janssen, part of Johnson & Johnson's pharmaceutical division, was set to host an impactful event showcasing their innovations and initiatives. My role was to design a compelling, brand-aligned event space from scratch, with a focus on creating an engaging and professional atmosphere. The scope included the main stage, photo wall, directional signage, lounge, registration area, and overall event brand.

JANSSEN DERMATOLOGY & RHEUMATOLOGY STANDALONE

31ST JANUARY & 1ST FEBRUARY 2020
CONRAD DUBAI

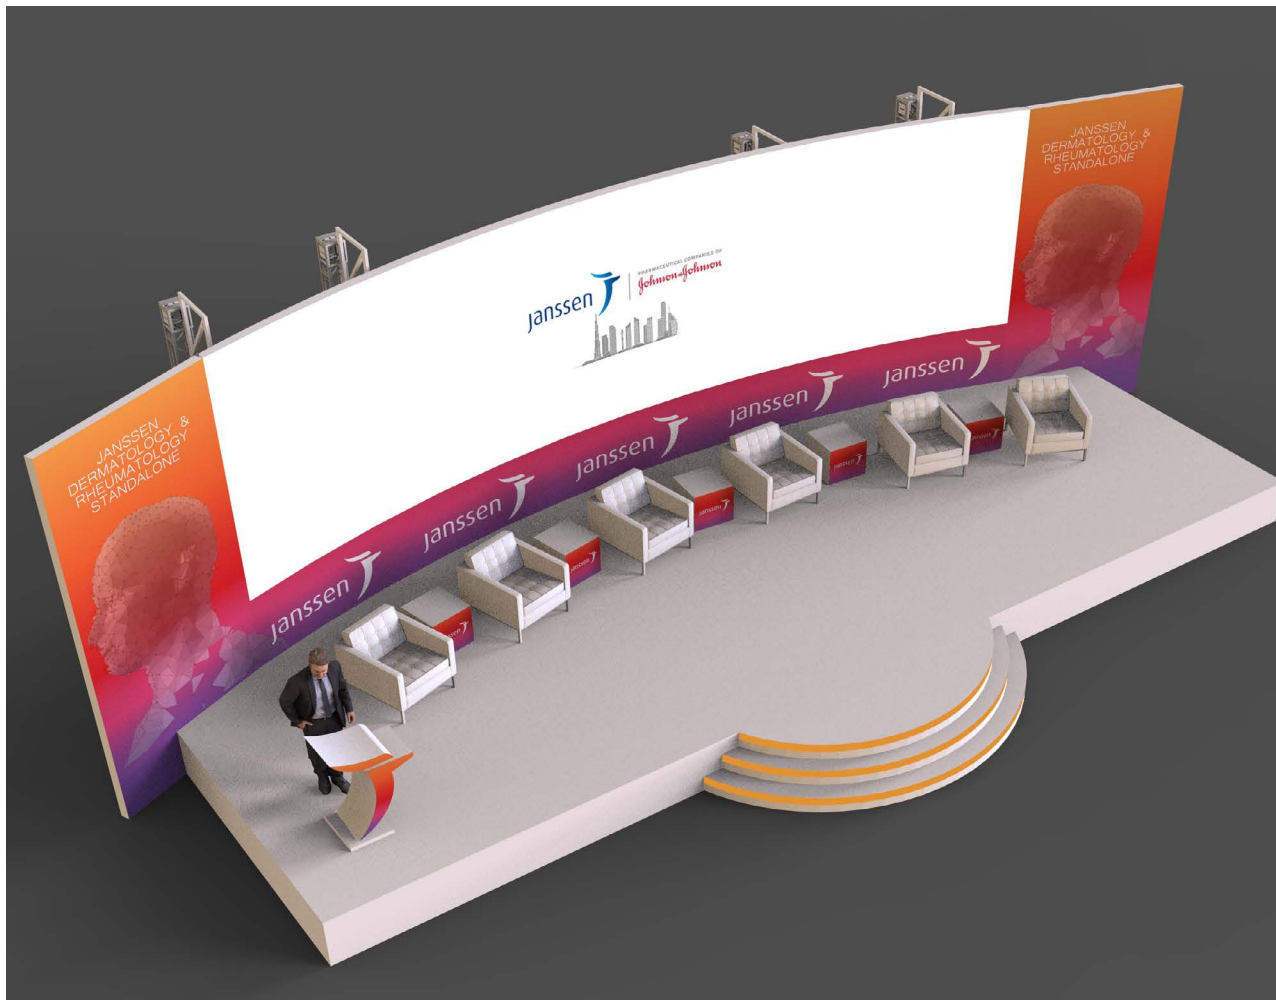

TOGETHER COMPLETING THE STORY

JANSSEN DERMATOLOGY & RHEUMATOLOGY STANDALONE

GOALS

The primary goal was to craft a cohesive design experience that:

Enhanced Janssen's brand presence and aligned with Johnson & Johnson brand identity.

Provide clear, intuitive guidance for attendees with effective directional signage.

Delivered memorable, visually engaging spaces like the main stage and lounge for networking.

PROCESS

I researched Janssen's brand to develop themes and layouts aligned with Johnson & Johnson guidelines. After creating 3D mock ups for each event component and refining them based on feedback, I presented final renderings for client approval.

3D DESIGNS CHRISTMAS INSTALLATION

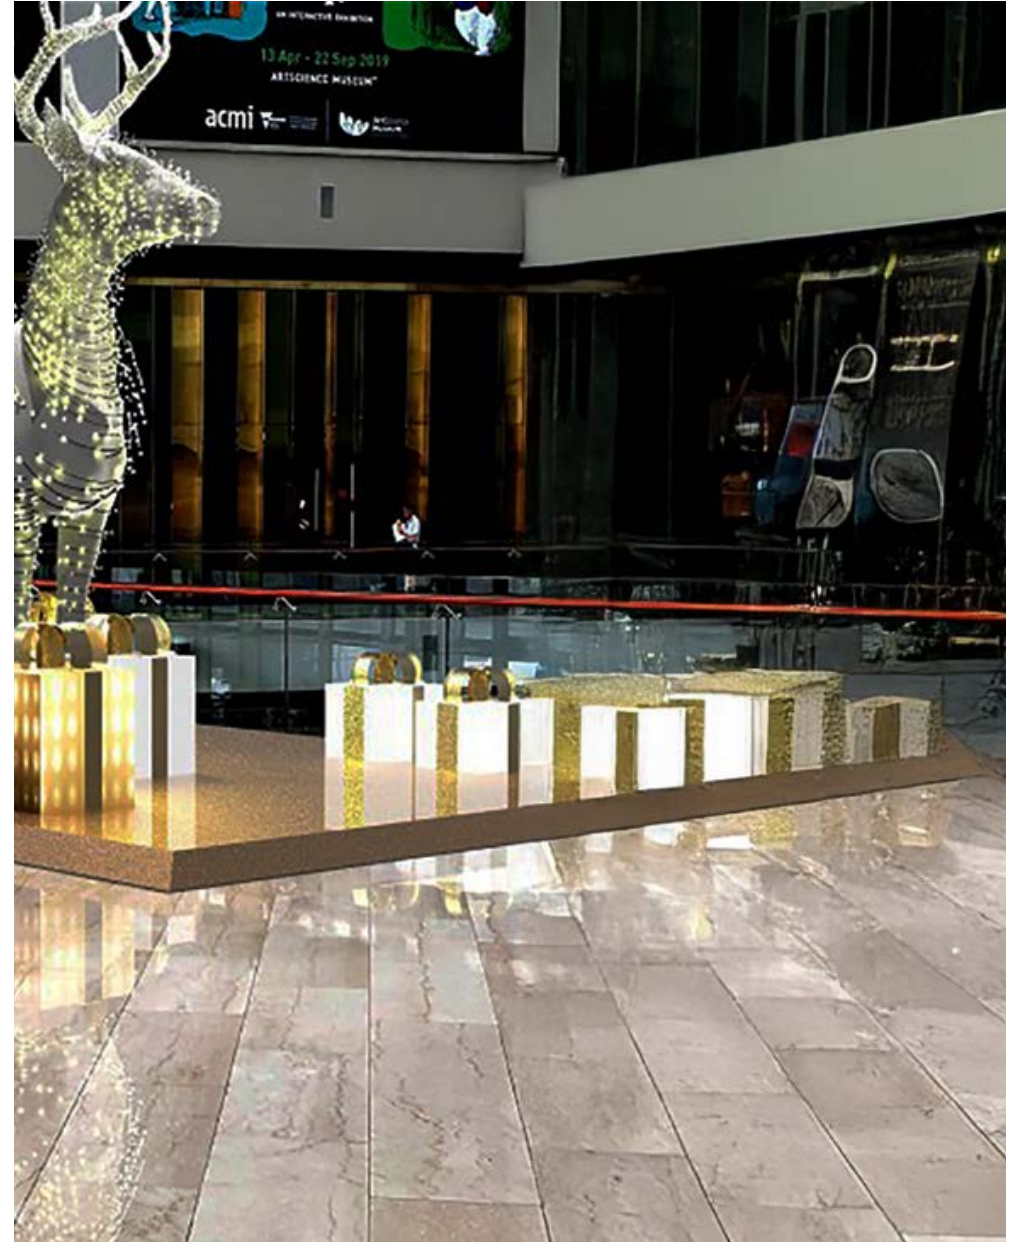

LOCATION: MARINA BAY SANDS, SINGAPORE

I designed and created a stunning 12-foot reindeer installation as the centerpiece for Marina Bay Sands' Christmas celebrations. This 3D design features intricate details, blending elegance and modernity to align with the iconic Marina Bay Sands aesthetic. Crafted with durable materials and a sleek metallic finish, the reindeer features integrated LED lighting that creates a captivating glow and dynamic effects, enhancing the festive ambiance. Positioned against the stunning Marina Bay backdrop, this large-scale 3D design serves as a striking holiday attraction, blending intricate details with functionality to deliver a memorable visual experience for visitors.

3D DESIGNS PYLON TROPHY

CRAFTING TRIUMPH IN EVERY DETAIL

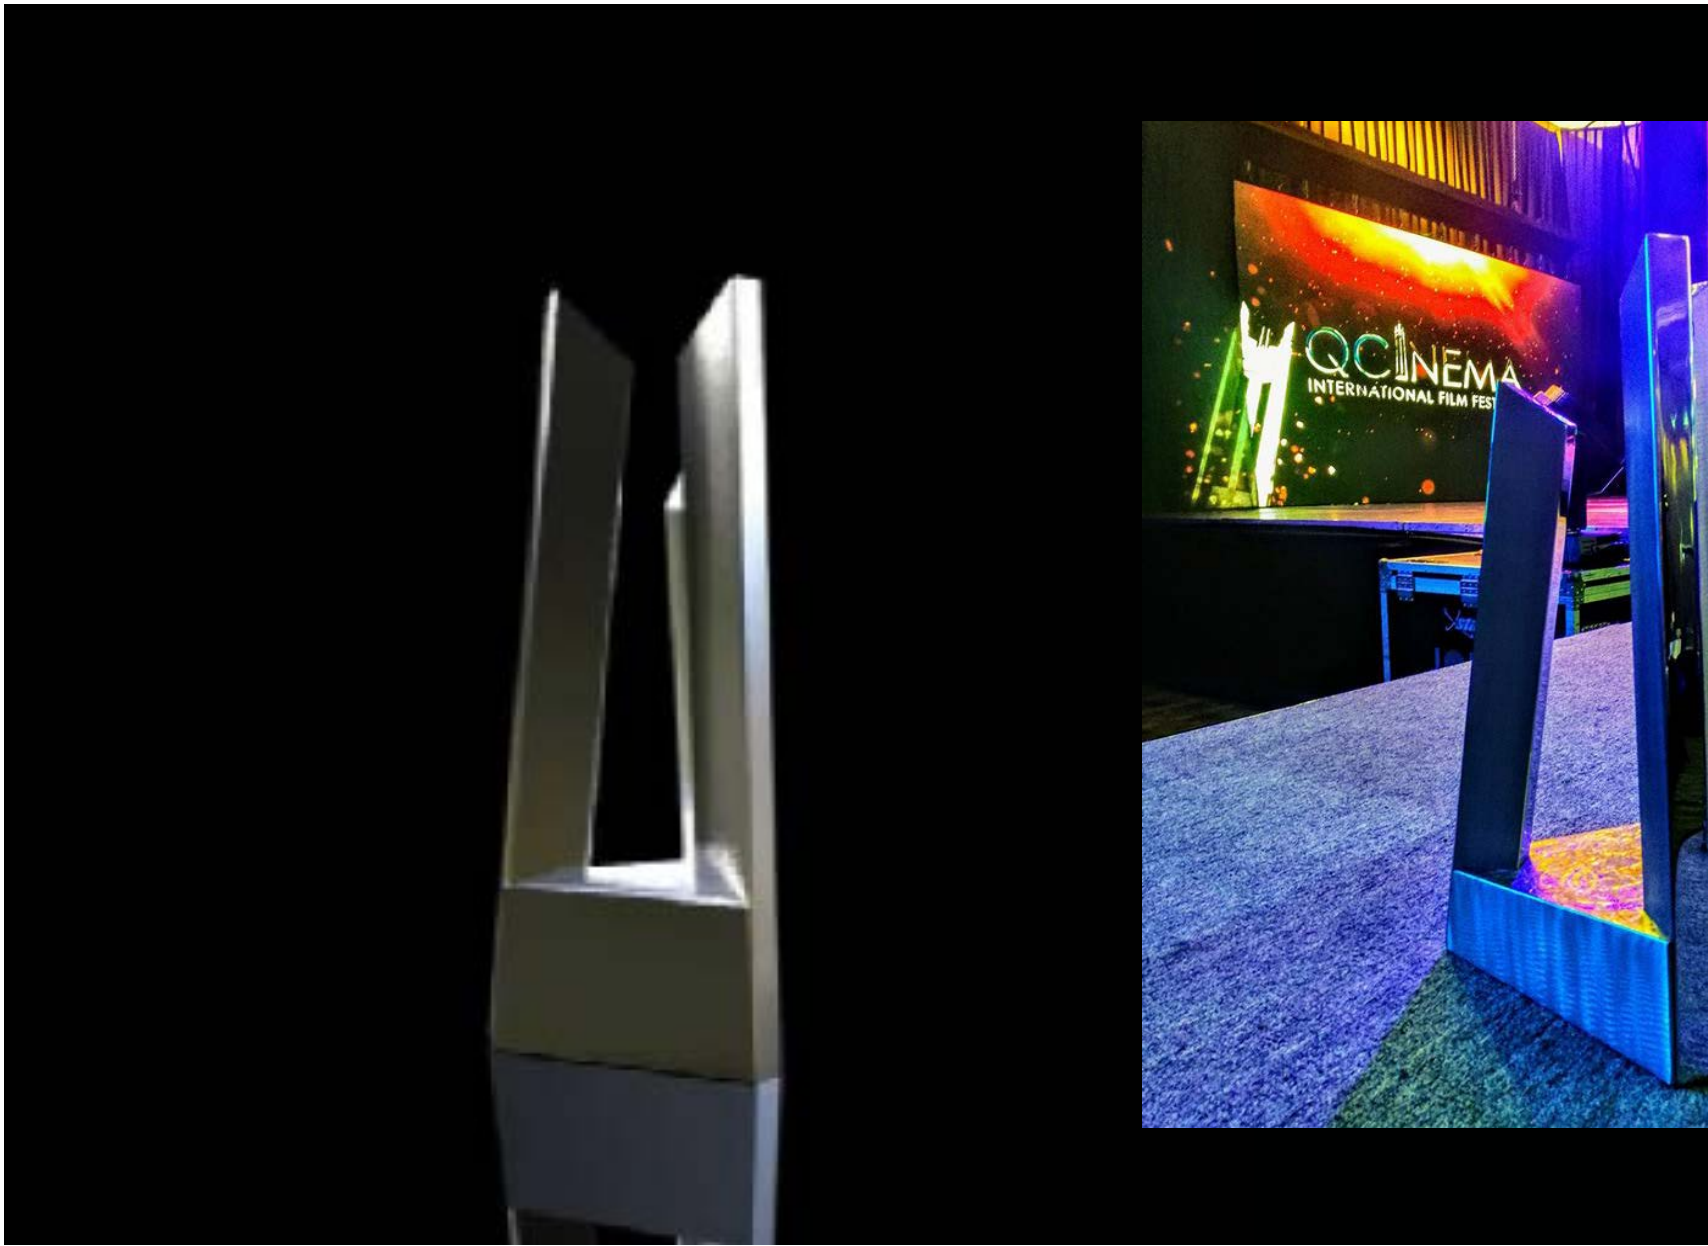

LOCATION: QUEZON CITY, PHILIPPINES

This one-of-a-kind 3D trophy was designed in collaboration with well-known artist Reg Yuson, celebrating the artistry and achievements of Filipino filmmakers. Inspired by the iconic Quezon City Tower, the trophy embodies the city's rich cultural heritage and its role as a hub for Philippine cinema. Presented at a prestigious awards ceremony in Quezon City, Philippines, this masterpiece symbolizes excellence in film making, blending architectural inspiration with artistic craftsmanship to honor the creativity and passion of the movie makers and artists.

LOGO & BRANDING

LOCATION: QUEZON CITY , CAVITE PHILIPPINES

■ **Client:** *Catherine Bugayong*

■ **Project Type:** *Logo Design & Branding*

■ **Completion Date:** *10.05.2024*

The logo I designed for the online dental tools and equipment store is all about combining professionalism with a clean, modern vibe. It features a sleek tooth icon with subtle details like a dental mirror or scaler worked in, which ties directly to the products being offered.

For the text, I went with a simple, easy-to-read to give it a professional yet approachable feel. And the colors? Think fresh whites, calming purple, and maybe a hint of pink—perfect for that clean, hygienic, and trustworthy look that dental professionals appreciate.

Overall, the logo is designed to be memorable and reassuring, making customers feel confident in the quality and expertise behind the brand.

LOGO & BRANDING

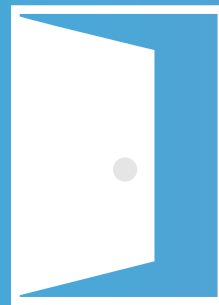

I also offer professional logo design and complete branding services for businesses across all industries. Whether you're starting from scratch or looking to re-brand, I create unique and impactful logos, along with cohesive brand identities that truly reflect your vision and values. From crafting distinctive logos to designing color schemes, typography, and marketing materials, I provide everything you need to make your brand stand out and connect with your audience.
